

## Winter Park Bâlea Lake 2010

On February 20th 2010 "Winter Park Bâlea Lake 2010" will be opened as winter sports centre. Winter Park Bâlea Lake witnesses its second edition, this season bringing in a sledge track, a snowpark of various ice and snow-built constructions, dual Mountainbike run with specific elements made of ice and snow and a 400 m<sup>2</sup> skating-rink arranged on Bâlea Lake – all within the winter sports centre.

Winter Park Bâlea Lake 2010 opening event features the following scheduled competitions:

### **Freestyle Open Winter Park Balea Lac 2010**

Freestyle snowboarding and freestyle skiing on ice and snow-built specific elements (ski jumping and sliding on ice and snow-built elements) competition. Skiing and Snowboarding Banked Slalom competition for children under the age of 14 (slalom competition on a specially designed track).

### **UpDown Cup – Dual Downhill Experiences 2010**

"UpDown Cup - Dual Downhill" – now at its third edition – has been since its very beginning both a major event which introduces Mountainbiking in the Romanian urban space and an official, long-expected preliminary stage for an increasingly rich season of suchlike sports events.

"UpDown Cup – Dual Downhill Experiences" hopes to gather riders from all over Romania and Europe in a unique and memorable competition placed in an unlikely location with a view to promote freeride mountainbiking in surprising spots.

The track is entirely built in snow and it is part of "Winter Park Bâlea Lake".

The contest system works by elimination and it implies (after qualifications) the simultaneous track crossing by the two riders, the faster of whom further advancing into the next round.

Those who are interested in competing can go in for the ice-skating and sledge contest.

The total value of the prizes involved in the Winter Park Balea Lake competitions cover more than 4,000 euro.

Winter Park Balea Lake is open daily between 10 a.m.-10 p.m.

Organizer: Capra Neagra Association

Partners: Rolman Investments, Cârțișoara Town Hall, Ice Hotel Balea Lac, Winter Park Balea Lake, Telecabina Balea, EGOevents, Umi Bike, Kin Pin Shop, Arhimodels and Creative Partners.
